

AN IMPORTANT MESSAGE FROM THE  
**NEW YORK STATE DEPARTMENT  
OF FINANCIAL SERVICES**

On February 21, the Department of Financial Services will launch **DFS ID**, a one-stop-shop to make accessing DFS applications simpler and more efficient. Once DFS ID is available, the **DFS Portal login page will be discontinued**, and entity users will use DFS ID login credentials to access DFS Connect, LINX, and other DFS applications.

### **What You Need to Know About DFS ID**

All DFS-regulated entities will have at least one administrator within DFS ID. These administrators will be responsible for conducting DFS business on behalf of their entity and inviting others to join their entity and register for a DFS ID account as needed. The Department is working to identify entity administrators and will share next steps with those administrators soon. There is no action required for DFS ID users at this time. **Administrators will receive separate correspondence from DFS prior to the release of DFS ID.**

You should continue using your current MyPortal credentials to access DFS systems until DFS ID is available.

### **DFS ID Support**

The Department has created a DFS ID Hub on our website to assist you during this transition. This Hub includes important information about DFS ID and what you can expect.

[www.dfs.ny.gov/DFSID](http://www.dfs.ny.gov/DFSID)

Thank you for your partnership in this effort. We want to provide this advanced notice so that you are aware of this change and know the support resources available to you. If you have questions, please reach out to your Department point of contact.

THE NEW YORK STATE DEPARTMENT OF FINANCIAL SERVICES  
**EQUITABLE • INNOVATIVE • COLLABORATIVE • TRANSPARENT**
